Dreams Are Activated by Decisions

“What good is it, my brothers and sisters, if someone claims to have faith but has no deeds? . . . In the same way, faith by itself, if it is not accompanied by action, is dead. But someone will say, ‘You have faith; I have deeds.’ Show me your faith without deeds, and I will show you my faith by my deeds.”

JAMES 2:14, 17-18 (NIV)

When God has given you a great dream, it will require you to surrender your life to him in new ways. The pursuit of that dream will draw you closer to him. After God gives you a dream, it needs to be followed by a decision. It's your choice: Will you follow God's plan or will your life remain unchanged? God isn't going to build your dream for you.

James teaches us that faith is a verb. It's active and not passive because it's something you do. When God gives you a dream, he shows you where you have to trust him. You have to decide to turn that dream into a reality.

A great illustration of this spiritual principle is an acrobat swinging from a trapeze, high above the ground. The most thrilling moment, for the crowd and the acrobat, is when he lets go of one bar to reach the other.

Faith decisions are like this, you have to let go of the old in order to grab onto the new.

If you don't let go, you'll swing back and forth until you finally stop, at which point you'll be hanging in the air. Then, the only way out is down!

Where is God asking you to trust him? You are only a decision away from activating the dream he has for you.

CHANGING LIVES
FOUNDATION

About Changing Lives Foundation

Changing Lives Foundation (CLF) is a nonprofit organization developed to help people in catastrophic need. CLF provides financial assistance to people who have suffered through a traumatic event such as a house fire, sudden injury, accident, and even death. We bridge the gap between the event itself and individuals getting insurance funds or getting back on their feet.

As you can imagine, immediate financial relief from an event like this is truly a gift from God, especially when they are facing what may seem like insurmountable circumstances with their own resources.

We raise money through individual donors, selling Christian-based inspired clothing and gifts, and leadership training, such as our annual Live2Lead event each October.

With grateful hearts, we have really gained a lot of traction in the past year related to the number of grant requests that we have received. We are averaging over \$22,000 a month in grants given to people in need for the first nine months of 2022. But, with more donations, we could have helped quite a few more people.

It is through word of mouth and people like you that we can help even more people in the future.

Please keep us in mind as you buy your birthday, holiday, graduation, and “just because” gifts throughout the year. Also, if your company or companies that you know make annual donations to charities, please tell them about Changing Lives Foundation!

In addition, if you own a company or know of a company that would like custom engraved drinkware or gifts, spread the word as we would be happy to help. We provide discounts for orders of 25 or more and can even make fun water bottles and other great gifts for sports teams and other groups!

Please check out our testimonial videos of people we have helped on our YouTube channel. We have helped so many people during some very traumatic times in their lives, and are grateful for the generous donors that have made that possible.
